

Programmable Altitude Temperature Chamber

■ SPECIFICATIONS

Model	MAT-720
Temperature range	-70~+150°C
Pressure range	RT~0.5kPa
Heating up/Pull down time	5~20°C/min
Temperature uniformity	≤±2.0°C
Interior dimensions(WxDxH)cm	80x95x70
Exterior dimensions(WxDxH)cm	136x188x225
Interior material	Stainless steel plate
Exterior material	Paint coating plate
Volume	720L
Insulation	Rigid polyurethane foam
Refrigeration System	Two half hermetic compressors
